EAST SIDE ALANO CLUB'S MISSION STATEMENT

ESAC'S mission is to maintain facilities for meetings and social gatherings for recovering alcoholics and people of other 12-step recovery programs, their families and friends.

Good Financial News!

The Club received a large anonymous principal payment to the mortgage, our interest expense dropped \$56.60 from February to March. This means that much more was applied to the mortgage increasing our assets.

If you feel so inclined, please feel free to make a principal only payment donation to ESAC. This not only lowers our expenses but increases our assets at the same time. Thank you for your consideration.
